## CONTRIBUTORS OF ARTICLES

JOHN BAUER is director of the American Public Utilities Bureau in New York, editor of the department on public utilities of the *National Municipal Review*, editorial consultant on public utilities, *Public Management*, and associate editor of *Public Ownership of Public Utilities* and *The People's Money*.

CARMAN G. BLOUGH is chief accountant of the Securities and Exchange Commission, Washington, D.C.

GEOFFREY CARMICHAEL is assistant professor of accounting at Indiana University.

HENRY T. CHAMBERLAIN, dean of the School of Commerce and Professor of Accounting at Loyola University, Chicago, is secretary of the American Accounting Association.

JOEL P. DEAN, on leave of absence from the department of economics at Indiana University, is now with McKinsey, Wellington & Co.

FLORENCE EDLER and her husband Raymond A. deRoover, a professional accountant, have done considerable research work in connection with the Plantin books of account.

FRANK A. FETTER until 1931 was professor of political economy at Princeton University. He is now professor emeritus.

LOUIS O. FOSTER is assistant professor of economics at Western Reserve University, Cleveland, Ohio.

STEPHEN GILMAN is vice president and educational director of the International Accountants Society, Inc.

HOWARD C. GREER is professor of accounting at the University of Chicago and research director of the Institute of American Meat Packers.

DONALD K. GRIFFITH is an instructor in accounting at the University of Illinois.

ROBERT P. HACKETT is an instructor in accounting at the University of Illinois.

J. BROOKS HECKERT is associate professor of accounting at Ohio State University.

STANLEY E. HOWARD is chairman of the Department of Economics and Social Institutions of Princeton University.

GEORGE R. HUSBAND is an associate professor of accounting at the University of Michigan. He is co-author with Olin E. Thomas of *Principles of Accounting*.

RALPH COUGHENOUR JONES is associate professor of accounting at Yale University.

HARRY D. KERRIGAN is a lecturer in accounting at Northwestern University School of Commerce.

ERICH KOSIOL, a professor at the University of Cologne, has described at length in an article in *Zeitschrift Für Betriebswirtschaft* entitled "Der Jahresabschluss der Actiengesellschaft" the effect of the new German corporation law on annual reporting requirements; his contribution to the REVIEW is an excerpt therefrom.

T. R. LARIMORE is head of the department of economics and business at Union College, Lincoln, Nebraska.

T. W. LELAND is associate professor of accounting at the Agricultural & Mechanical College of Texas.

RAGNAR LILJEBLAD, a graduate engineer, is technical director of the Allmänna Svenska Elektriska Actiebolaget, Västerås, Sweden. He is the author of numerous articles on engineering and economic subjects.

A. C. LITTLETON is professor of accounting at the University of Illinois and head of its Bureau of Business Research.

ARTHUR N. LORIG, assistant professor of accounting at the University of Washington, holds a doctor of philosophy degree from the University of Chicago and a C.P.A. certificate from California.

R. M. MIKESSELL is professor of accounting at Indiana University.

PAUL L. MORRISON is a member of the Chicago firm of Sheridan, Farwell & Morrison, Inc., investment counsellors.

CLARENCE B. NICKERSON, assistant professor of accounting at the Harvard Graduate School of Business Administration, received a D.C.S. degree from that school in 1935.

RICHARD N. OWENS is professor of accounting and business administration at the George Washington University.

WILLIAM A. PATON has obtained an extension of his leave of absence from the University of Michigan in order to teach at the University of California at Berkeley during the coming year. A planograph edition of his *Essentials of Accounting* has just been published by Edwards Brothers, Inc., of Ann Arbor.

GABRIEL A. D. PREINREICH is a practicing public accountant in New York City. He is the author of *The Nature of Dividends*, published last year.

C. RUFUS ROREM is the director of the Committee on Hospital Service of the American Hospital Association.

EARL A. SALIERS, professor of accounting at Louisiana State University, is a well-known authority on depreciation. His present contribution deals with some of the weaknesses of plant accounting which make proper allowances for depreciation difficult to compute.

T. H. SANDERS is professor of accounting at the Harvard Graduate School of Business Administration.

ANDREW SCHIRANZ is reader and assistant professor at the Hungarian University for Technical and Economic Sciences at Budapest, Hungary.

DR SCOTT is professor of accounting at the University of Missouri.

SHINSHICHIRO SHIMME, is a graduate of the School of Commerce at Meiji University, Tokyo, and chief auditor of the Kawasaki Dockyard Co., Ltd., at Kobe. He is the author of a number of books and articles on accounting and is particularly interested in the subject of factory costs.

CHARLES W. SMITH, chief of the Bureau of Finance and Accounts of the Federal Power Commission, is instructor in specialized accounting in the evening school of business economics at Johns Hopkins University.

FRANK P. SMITH is an instructor in economics at the University of Rochester.

CHARLES T. SWEENEY is a practicing certified public accountant of Springfield, Ohio.

H. F. TAGGART is associate professor of accounting at the University of Michigan.

EDWIN L. THEISS is associate professor of accounting at the University of Illinois.

C. L. VAN SICKLE is associate professor of accounting at the University of Pittsburgh.

NORMAN E. WEBSTER is chairman of the New York Board of C.P.A. Examiners.

ROBERT A. WHITE is an instructor in accounting at the University of Texas.

EDMUND WHITTAKER, a graduate of Edinburgh University, has been Professor of Economics in Natal University College, University of South Africa, and is now assistant Professor of Economics at the University of Illinois.

F. W. WOODBRIDGE is professor of accounting at the University of Southern California.
